## GENERAL EXPLANATION

*Purpose.*—The purpose of the bill is to make technical corrections  
to the United States Code relating to cross references, typo-  
graphical errors, and stylistic matters.

*Background.*—The Office of the Law Revision Counsel of the  
House of Representatives has prepared the bill and submitted it to  
the Committee as part of the responsibilities of the Office under

section 285(b) of title 2, United States Code, to provide revisions in titles of the Code that have been enacted into positive law so that those titles may be kept current.

#### HEARINGS

Because H.R. 866 makes only technical corrections, the Committee did not hold any hearings on the bill.

#### COMMITTEE CONSIDERATION

At a meeting of the Committee on April 13, 2005, a quorum being present, H.R. 866 was approved by a voice vote and ordered reported.

#### VOTE OF THE COMMITTEE

During full committee consideration of H.R. 866 the Committee took no roll call votes.

#### COMMITTEE OVERSIGHT FINDINGS

In compliance with clause 3(c)(1) of Rule XIII of the Rules of the House of Representatives, the Committee reports that the findings and recommendations of the Committee, based on oversight activities under clause 2(b)(1) of Rule X of the Rules of the House of Representatives, are incorporated in the descriptive portions of this report.

#### NEW BUDGET AUTHORITY AND TAX EXPENDITURES

Clause 3(c)(2) of Rule XIII of the Rules of the House of Representatives is inapplicable because H.R. 866 does not provide new budget authority or an increase in tax expenditures.

#### CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

In compliance with clause 3(c)(3) of Rule XIII of the Rules of the House of Representatives, the Committee sets forth, with respect to the bill, H.R. 866, the following estimate and comparison prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974:

U.S. CONGRESS,  
CONGRESSIONAL BUDGET OFFICE,  
*Washington, DC, April 15, 2005.*

Hon. F. JAMES SENSENBRENNER, Jr.,  
*Chairman, Committee on the Judiciary,*  
*House of Representatives, Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 866, a bill to make technical corrections to the United States Code.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Matthew Pickford, who can be reached at 226-2860.

Sincerely,

DOUGLAS HOLTZ-EAKIN.

Enclosure

cc: Honorable John Conyers, Jr.  
Ranking Member

*H.R. 866—A bill to make technical corrections to the United States Code.*

CBO estimates that enacting H.R. 866 would have no impact on the Federal budget. Enacting the bill would not affect direct spending or revenues. H.R. 866 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would have no significant impact on the budgets of State, local, or tribal governments.

H.R. 866 would correct cross-references, typographical errors, and make changes to various parts of the United States Code. Because these changes are technical, CBO estimates that enacting H.R. 866 would have no budgetary impact.

The CBO staff contact for this estimate is Matthew Pickford, who may be reached at 226–2860. This estimate was approved by Peter H. Fontaine, Deputy Assistant Director for Budget Analysis.

#### PERFORMANCE GOALS AND OBJECTIVES

Clause 3(c)(4) of Rule XIII of the Rules of the House of Representatives is inapplicable because H.R. 866 does not authorize funding. H.R. 866 makes technical corrections to the United States Code relating to cross references, typographical errors, and stylistic matters.

#### CONSTITUTIONAL AUTHORITY STATEMENT

Pursuant to clause 3(d)(1) of Rule XIII of the Rules of the House of Representatives, the Committee finds the authority for this legislation in article I, section 8 of the Constitution.

○

Chairman SENSENBRENNER. The Chair recognizes himself briefly to explain the bill.

This bill makes technical corrections to the U.S. Code. Mr. Conyers and I introduced the bill that updates cross-references, corrects typographical errors, makes stylistic changes, such as conforming the capitalization of certain words. It's important to note the bill makes no substantive changes to existing law. It simply removes ambiguities and imperfections from the Code.

Under Section 285(b) of Title 2 of U.S. Code, the House's Office of Law Revision Counsel is required to prepare and submit revisions to titles of the Code that have been enacted into positive law so that the titles may be kept current.

Pursuant to House Rule X, the Committee on the Judiciary maintains jurisdiction over revised codifications of statutes of the United States. I would like to express the Committee's appreciation for the work of the Office of Law Revision Counsel on this bill and encourage all Members to support it.

I yield back the balance of my time. Without objection, all Members' opening statements will appear in the record at this point.

[Intervening business.]

Chairman SENSENBRENNER. Before I recognize the gentleman from New York, Mr. Nadler, a reporting quorum is now present, and the question occurs on the motion to report the bill H.R. 866 favorably, upon which the previous question was ordered. All in favor will say aye? Opposed, no?

The ayes appear to have it. The ayes have it. The motion to report favorably is agreed to. Without objection, the staff is directed to make any technical and conforming changes, and all Members will be given 2 days as provided by the House rules in which to submit additional, dissenting, supplemental, or minority views.

[Intervening business.]

Chairman SENSENBRENNER. The Committee stands adjourned.

[Whereupon, at 4:02 p.m., the Committee was adjourned.]
